INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 CFR §§ 1.56 and 1.97, the Applicant takes this opportunity to call to the attention of the Patent and Trademark Office documents that may be material to the prosecution of this application. The documents the Applicant believes may be material are listed on the attached Form PTO-1449.

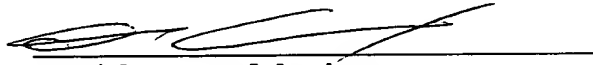

This paper is being submitted less than three months from the date this application was filed. Accordingly, it is not believed any fees are due in order to assert consideration of the cited documents.

Under cover of this paper, the Applicant formally calls to the attention of the Patent and Trademark Office the three documents cited in the International Search Report by the European Patent Office for the PCT Application upon which this application is based. According to the Form PCT/DO/EO903 the Patent and Trademark Office issued for this application, the Office already has copies of these documents. Accordingly the

Applicant now does not provide duplicate copies. If, however, the copies of these documents are missing from the Examiner's file, a call to the undersigned attorney will result in prompt delivery of replacement copies.

The relevance of these documents is set forth in the International Search Report. Accordingly, further commentary regarding the relevance of these documents is not believed necessary at this time.

Respectfully submitted,

David S. Goldenberg
